# Laser tag outdoor combat – *coming soon !!!*

Airsoft Gun + Ikon-x Laser Tag Device =

Ikon-x Outdoor Laser Tag Gun  
only \$299.00

The diagram illustrates the assembly of the Ikon-x Outdoor Laser Tag Gun. It shows a standard airsoft gun on the left and a separate laser tag device with a scope and a cable on the right. A plus sign is between them, and an equals sign is to the left of the final assembled product, which is the airsoft gun with the laser tag device attached to its top rail.
